

Carers Essentials Fund

This fund must be of direct practical benefit to the carer.

This can include essential white goods, furniture, decorating, gardening, etc and you must be able to say how this will benefit you and help you continue as a carer.

Funds can be awarded for up to £250 towards one item or service which must not exceed £400 in total. Priority will be given to carers who have not accessed the fund in the last 12 months. All applications must be from Carers aged 18 and over.

Carers cannot apply for:

- Everyday regular items. For example: shopping, bills, insurance and tax
- Equipment for hobbies
- Replacement care/respite or equipment for the person you care for
- Goods or services that have already been bought
